Picture Your Event ON THE BIG SCREEN

Come experience the best moviegoing experience in L.A. at CityWalk's redesigned Universal Cinema. With deluxe recliner seats – just like those found in Hollywood screening rooms – every seat is the best seat in the house. Each theater is equipped with Christie RGB Laser projection and Dolby Atmos® immersive sound. Consider a special screening of the latest Hollywood hit in one of our theaters to celebrate your next corporate milestone or event. Our Event Specialists will treat your guests like stars.
